JOINT INTELLIGENCE STUDY PUBLISHING BOARD
LA SALLE BUILDING, 1034 CONNECTICUT AVENUE
WASHINGTON 6, D. C.

MEMORANDUM FOR: Col. S. P. Poole,
Chief, Topographic Branch, MID

Subject: Cancellation of Classification of certain JANIS
Publications.

1. At the direction of the Joint Topographical Subcommittee this Board is requesting JANIS contributors to indicate what portions of JANIS publications now classified "RESTRICTED" may be lowered to "FOR OFFICIAL USE ONLY". The request is being made in order that the studies may be distributed to repository libraries where they may be available to scientists and scholars whose work is potentially so valuable to the government. It is hoped that the whole of each chapter can be so declassified. If a portion of a chapter needs to remain classified, contributors should so indicate.

2. It is requested that this Board be notified not later than 15 February 1946 whether Chapter II, Military Geography, Supplements to Chapter II, and that portion of Chapter I, Brief, relating to Military Geography may be so declassified.

3. The JANIS it is proposed to declassify are the following:
